. Perused the precipe dated 9.11.2006. Both Counsels agree and submit that the figure 5% appearing on pages-15 & 16 in paragraphs 9 & 10 should be read as 10%. In my view that is a typographical error. Hence, in the third last and fourth last lines at page-15 "5%" should be read as "10%" and in line no.13 at page 16 the words "minus 5%" should be read as "minus 10%". With these changes, rest of the Judgment stands confirmed.
